# Project: Buying and Selling Platform of Artworks

<b>Home</b>		
	<b>Sign Up</b>	
		<i>Users need to provide first name, last name, email, username and password to sign up. There are some other options such as providing phone number, birth year, country and language. These are optional, users can skip them if they want.</i>
	<b>Sign In</b>	
		<i>Whenever a user sign in with the email and password, they will be redirected to the account home page.</i>
	<b>View Catalogue</b>	
		<i>Users can see which artworks are currently on sale and directly buy whatever they like.</i>
	<b>Category</b>	
		<i>Users can choose which category they want to buy from. There are several categories such as painting, photography, print, sculpture and drawing.</i>
	<b>Search Bar</b>	
		<i>Users can search their desired artist, artwork or search using keywords.</i>

	<b>About Us</b>	
		<i>A description about the history of the company, the unique features we bring and introduction of the admins.</i>
	<b>Contact Us</b>	
		<i>If users have any question, they can send us a message using their email or contact us over telephone number.</i>
	<b>FAQ</b>	
		<i>It will contain generally asked questions about how to sign up/in, buy artworks, become an artist, be a part of the team etc.</i>

<b>Account Home:</b>	
	<i>This page acts as a dashboard for the user. It contains several options like- profile, settings, items purchased, view catalogue, switch to artist mode, cart and log out. If users click on any of these options they will be redirected to that page.</i>
	<b>Profile</b>

		<i>Profile information such as Name, email, phone number, birth year, country, language, joining date will be displayed here.</i>	
	<b>Settings</b>		
		<i>Users can change their username and password here.</i>	
	<b>Items Purchased</b>		
		<i>Users can view the items they purchased previously and the details of the transaction.</i>	
	<b>View Catalogue</b>		
		<i>Users can see which artworks are currently on sale. They can filter their preferences in terms of category and price. If they click on any artwork then the artwork page will be redirected.</i>	
		<b>Artwork</b>	
			<i>Users can see the name of the art, name of the artist, price, category, dimension and a</i>

			<p><i>brief description about the art in this page.</i></p> <p><i>There will be add to cart option here too.</i></p>
	<p><b>Switch to Artist Mode</b></p>		
			<p><i>Users can choose to be an artist. If they click this button, then two options will appear here. One option will ask the user to give the artwork name, price, category, dimension and a brief description. And the other option will show the user the details of their past and ongoing orders (if any).</i></p>
	<p><b>Log Out</b></p>		
			<p><i>Users will be logged out of their accounts.</i></p>

<p><b>Admin:</b></p>	
	<p><i>Admin will be able to see the public records of both the users. After logging in they will be redirected to the admin home page.</i></p>
<p><b>Admin home:</b></p>	
	<p><i>This is dashboard for the admin. This contain links to the several pages for various purposes like users-list, public notification, username and password reset etc.</i></p>

	<b>User-list:</b>	
		<i>This will list all the users registered. They can create, activate and deactivate any user.</i>
	<b>Public Notification:</b>	
		<i>They can send notification to any user or every user.</i>
	<b>Username-password reset:</b>	
		<i>If any user faces issues like “username forgot” or “password forgot”, they can request admin to reset that.</i>
	<b>Admin Info:</b>	
		<i>This will contain sensitive information about admin like password, first email, second email and contact info.</i>
	<b>Admin password reset:</b>	
		<i>If admin forgets their passwords, they will be redirected to here. They will be needed all the info except the password to reset the password</i>
